If Provider does not deliver such information, Health Plan will use the last information received from Provider. Notwithstanding the above, if a Law or Government Program Requirement requires the delivery of information described in this section in another matter or different timeframe, Provider will notify Health Plan in accordance with the Law or Government Program Requirement. Health Plan also reserves the right to request such information at any time.

 - c. **Advance Directive.** Provider will comply with Laws and Government Program Requirements related to Advance Directives.
 - d. **Ownership Disclosure Information.** If applicable, a Provider must disclose to Health Plan the name and address of each person, entity, or business with an ownership or control interest in the disclosing entity before the Effective Date and throughout the term of this Agreement. Provider or disclosing entity must also disclose to the Health Plan whether any person, entity, or business with an ownership or control interest in the disclosing entity are related to another as spouse, parent, child, or sibling before the Effective Date and throughout the term of this Agreement. Furthermore, there must be disclosure of the name of any other disclosing entity in which a person with an ownership or controlling interest in the Provider or disclosing entity also has an ownership or control interest.
- 2.15 **Reciprocity Agreements.** Provider will cooperate with Affiliates and agrees to assure reciprocity of health care services to Affiliate's enrollees. For Affiliate enrollees, Provider will be compensated for Clean Claims that are determined to be payable in accordance with Laws and Government Program Requirements. If there is not a Law or Government Program Requirement governing reimbursement, Provider will be compensated at the rates set forth in this Agreement. Provider will follow the hold harmless provisions of this Agreement for Affiliate's enrollees.

ARTICLE THREE – HEALTH PLAN'S OBLIGATIONS

- 3.1 **Member Eligibility Determination.** Health Plan will maintain data on Member eligibility and enrollment. Health Plan will promptly verify Member eligibility at the request of Provider.
- 3.2 **Prior Authorization Review.** Health Plan will respond with a determination on a prior authorization request in accordance with the time frames governed by Laws and Government Program Requirements after receiving all necessary information from Provider.
- 3.3 **Medical Necessity Determination.** Health Plan's determination with regard to Medical Necessity, including, but not limited to, determinations of level of care and length of stay, will govern. The primary concern with respect to Medical Necessity determinations is the interest of the Member.
- 3.4 **Member Services.** Health Plan will provide services to Members, including, but not limited to, assisting Members in selecting a primary care physician, processing Member complaints and grievances, informing Members of Health Plan's policies and procedures, providing Members with membership cards, providing Members with information about Health Plan, and providing Members with access to Health Plan's Provider Directory.
- 3.5 **Provider Services.** Health Plan will make available a provider services department that, among other Health Plan duties, is available to assist Provider with questions about this Agreement.
- 3.6 **Corrective Action.** Health Plan, and state and federal regulators routinely monitor the level, manner, and quality of Covered Services provided as well as Provider's compliance with this Agreement. If a deficiency is identified, Health Plan or regulator, in its sole discretion, may choose to issue a corrective action plan. Provider is required to accept and implement such corrective action plan. Provider is not entitled to a corrective action plan prior to any termination.

ARTICLE FOUR – CLAIMS PAYMENT

- 4.1 **Claims.** Provider will promptly submit to Health Plan Claims for Covered Services in a standard form that is acceptable to Health Plan. Provider will not be eligible for payment on Claims submitted beyond ninety-five (95) days from the Date of Service. When Health Plan is the secondary payer, if there is not a timeframe specified in Laws and Government Program Requirements, Provider will not be eligible for payment for Claims submitted more than ninety-five (95) days from the date the primary payer adjudicated the Claim. Provider will include all

medical records pertaining to the Claim if requested by Health Plan and as may be required by Health Plan's policies and procedures.

- 4.2 **Compensation.** Health Plan will pay Provider for Clean Claims for Covered Services, that are determined to be payable, in accordance with Laws, Government Program Requirements, and this Agreement. Health Plan will make such payment within sixty (60) days, unless otherwise required by Laws or Government Program Requirements. Provider agrees to accept such payment, applicable co-payments, deductibles, and coordination of benefits collections as payment in full for Covered Services. Provider's failure to comply with the terms of this Agreement may result in non-payment to Provider.
- 4.3 **Co-payments and Deductibles.** Provider is responsible for collection of co-payments, co-insurances, and deductibles, if any.
- 4.4 **Member Hold Harmless.** Provider agrees that in no event, including, but not limited to, non-payment, insolvency, or breach of this Agreement by Health Plan, will Provider bill, charge, collect a deposit from, seek remuneration or reimbursement from, or have any recourse against a Member, or person acting on Member's behalf, for Covered Services provided pursuant to this Agreement. This does not prohibit Provider from collecting co-insurance, deductibles, or co-payments as specifically provided in the Member's evidence of coverage, or fees for non-covered health care services provided to Member. This section will survive any termination, regardless of the reason for the termination, including insolvency of Health Plan.
- 4.5 **Coordination of Benefits.** Health Plan is a secondary payer where another payer is primary payer. Provider will make reasonable inquiry of Members to learn if Member has health insurance or health benefits other than from Health Plan, or is entitled to payment by a third party under any other insurance or plan of any type. Provider will promptly notify Health Plan of said entitlement. In the event a coordination of benefits occurs, Provider will be compensated in an amount equal to the allowable Clean Claim less the amount paid by other health plans, insurance carriers, and payers, not to exceed the amount specified in the Compensation Schedule of this Agreement.
- 4.6 **Offset.** In the event of an Overpayment, Health Plan may recover the amount owed by: (i) recoupment; or (ii) by way of offset from current or future amounts due Provider. If required, such recoupment or offset will be done in a manner that is compliant with Laws and Government Program Requirements. As a material condition to Health Plan's obligations under this Agreement, Provider agrees the offset and recoupment rights set forth in this Agreement will be deemed to be and to constitute rights of offset and recoupment authorized under Law or in equity to the maximum extent legally permissible. Such rights will not be subject to any requirement of prior or other approval from a court or other governmental authority that may now or hereafter have jurisdiction over Health Plan or Provider. This section will survive any termination.
- 4.7 **Claim Review.** Claims will be reviewed and paid in accordance with industry standard billing and payment rules, including, but not limited to, Uniform Billing ("UB") manual and editor, Current Procedural Terminology ("CPT") and Healthcare Common Procedure Coding System ("HCPCS"), federal, and state billing and payment rules, National Correct Coding Initiatives ("NCCI") Edits, and Federal Drug Administration ("FDA") definitions and determinations of designated implantable devices and implantable orthopedic devices. Furthermore, Provider acknowledges Health Plan's right to conduct Medical Necessity reviews and apply clinical practice standards to determine appropriate payment. Payment may exclude certain items not billed in accordance with industry standard billing and payment rules or that do not meet Medical Necessity criteria. This section will survive any termination.
- 4.8 **Claim Auditing.** Provider acknowledges Health Plan's right to conduct post-payment billing audits. Provider will cooperate with Health Plan's audits of claims and payments by providing access at reasonable times to requested claims information, all supporting medical records, Provider's charging policies, and other related data. Health Plan will use established industry claims adjudication and clinical practices, state and federal guidelines, and Health Plan's policies and data to determine the appropriateness of the billing, coding, and payment. This section will survive any termination.
- 4.9 **Payments which are the Responsibility of a Claims Delegate.** If Provider provides Covered Services that are the responsibility of a Claims Delegate, Provider will look solely to the Claims Delegate for payment of such Covered Services. Pursuant to Health Plan's contract with Claims Delegate, Claims Delegate is to compensate

Provider at the rate set forth in Provider's contract with Claims Delegate. If Claims Delegate and Provider do not have a contract or have not agreed to compensation terms, Provider will be reimbursed, as determined by Provider and Claims Delegate, at: (i) one hundred percent (100%) of the governing rates provided by Law specific to the Member's Product in place on the Date of Service; or (ii) at the rates set forth in this Agreement specific to the Member's Product in place on the Date of Service. Except as specifically stated in this section, Provider agrees that the compensation provisions of this Agreement will be binding upon Provider and that Provider will follow the hold harmless provisions of this Agreement.

- 4.10 **Timely Submission of Encounter Data.** Provider understands Health Plan may have certain contractual reporting obligations that require timely submission of Encounter Data. If a Clean Claim does not contain the necessary Encounter Data, Provider will submit Encounter Data to Health Plan. This section will survive any termination.
- 4.11 **Authorized Services.** Health Plan is responsible for the authorization of Covered Services. If Provider obtained prior or concurrent authorization for a Covered Service, Health Plan will not retrospectively deny payment for such authorized Covered Service, unless: (i) Provider's claim or medical record for such services does not support the specific services or level of care authorized by Health Plan; (ii) Health Plan may do so pursuant to applicable Laws or Government Program Requirements; or (iii) Provider has been provided notice of policies through the Provider Manual or Supplemental Materials that Health Plan may do so. Health Plan will conduct medical management throughout the course of treatment.

ARTICLE FIVE – TERM AND TERMINATION

- 5.1 **Term.** This Agreement will commence on the Effective Date indicated by Health Plan and will continue in effect until terminated by either Party in accordance with the provisions of this Agreement.
- 5.2 **Termination without Cause.** This Agreement, an individual Product, or an Individual Provider under this Agreement, may be terminated without cause at any time by either Party by giving at least ninety (90) days prior written notice to the other Party.
- 5.3 **Termination with Cause.** In the event of a breach of a material provision of this Agreement, the Party claiming the breach may give the other Party written notice of termination setting forth the facts underlying its claim that the other Party breached this Agreement. The Party receiving the notice of termination will have thirty (30) days from the date of receipt of such notice to remedy or cure the claimed breach to the satisfaction of the other Party. During this thirty (30) day period, the Parties agree to meet as reasonably necessary and to confer in good faith in an attempt to resolve the claimed breach. If the Party receiving the notice of termination has not remedied or cured the breach within such thirty (30) day period, the Party who delivered the notice of termination has the right to immediately terminate this Agreement, or an individual Product or an Individual Provider under this Agreement, upon expiration of the thirty (30) day period. Notwithstanding the forgoing, either Party may immediately terminate this Agreement, an individual Product, or an Individual Provider under this Agreement, without providing the other Party the opportunity to cure a material breach should the terminating Party reasonably believe the material breach of this Agreement to be non-curable.
- 5.4 **Immediate Termination.** Notwithstanding any other provision of this Agreement, this Agreement, an individual Product, or an Individual Provider under this Agreement, may immediately be terminated upon written notice to the other Party in the event any of the following occurs:
- Provider's license or any other approvals needed to provide Covered Services is limited, suspended, revoked, or disciplinary proceedings are commenced against Provider by applicable regulators and accrediting agencies;
 - Either Party fails to maintain adequate levels of insurance;

- 6.2 **Relationship of the Parties.** Nothing contained in this Agreement is intended to create, nor will it be construed to create, any relationship between the Parties other than that of independent parties contracting with each other solely for the purpose of effectuating this Agreement. This Agreement is not intended to create a relationship of agency, representation, joint venture, or employment between the Parties. Nothing herein contained will prevent the Parties from entering into similar arrangements with other parties. Each Party will maintain separate and independent management and will be responsible for its own operations. Nothing contained in this Agreement is intended to create, nor will be construed to create, any right in any third party to enforce this Agreement.
- 6.3 **Governing Law.** The laws of the State of Texas will govern this Agreement.
- 6.4 **Entire Agreement.** This Agreement, including attachments, addenda, amendments, Supplemental Materials, and incorporated documents or materials, contains the entire agreement between the Parties relating to the rights granted and obligations imposed by this Agreement. Any prior agreements, promises, negotiations, or representations, either oral or written, between the Parties and relating to the subject matter of this Agreement, are of no force or effect.
- 6.5 **Severability.** If a term, provision, covenant, or condition of this Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remaining provisions will remain in full force and effect and will in no way be affected, impaired, or invalidated as a result of such decision.
- 6.6 **Headings and Construction.** The headings in this Agreement are for reference purposes only and are not considered a part of this Agreement in construing or interpreting its provisions. It is the Parties' desire that if a provision of this Agreement is determined to be ambiguous, then the rule of construction that such provision is construed against its drafter will not apply to the interpretation of the ambiguous provision. The following rules of construction apply to this Agreement: (i) the word "day" means calendar day unless otherwise specified; (ii) the term "business day" means Monday through Friday, except federal holidays; (iii) all words used in this Agreement will be construed to be of such gender or number as circumstances require; (iv) references to specific

statutes, regulations, rules or forms, such as CMS-1500, include subsequent amendments or successors to them; and (v) references to any government department or agency include any successor departments or agencies.

6.7 **Non-exclusivity.** This Agreement will not be construed to be an exclusive Agreement between the Parties. Nor will it be deemed to be an Agreement requiring Health Plan to refer Members to Provider.

6.8 **Amendments.**

- a. **Regulatory Amendments.** Health Plan may immediately amend this Agreement to maintain consistency or compliance with applicable policy, directive, Law, or Government Program Requirement at any time and without Provider's consent. Such regulatory amendment will be binding upon Provider.
- b. **Non-Regulatory Amendments.** Notwithstanding the Regulatory Amendments section, Health Plan may otherwise amend this Agreement upon thirty (30) days prior written notice to Provider. If Provider does not deliver a written disapproval to such amendment within the thirty (30) day period, the amendment will be deemed accepted by and binding upon Provider. If Health Plan receives a written disapproval within the thirty (30) day period, the Parties agree to meet and confer in good faith to determine if a revised amendment can be accepted by and binding upon the Parties.

6.9 **Delegation or Subcontract.** Upon the Effective Date, Provider will submit to Health Plan a list identifying each of Provider's Subcontractors and a description of the Covered Services or administrative services that the Subcontractor provides. After the Effective Date, Provider will not subcontract with a Subcontractor without the prior written consent of Health Plan. Such arrangement with a Subcontractor will be in writing and will bind Subcontractor to the terms required by Health Plan.

6.10 **Assignment.** Provider may not assign or transfer, in whole or in part, any rights, duties, or obligations under this Agreement without the prior written consent of Health Plan. Subject to the foregoing, this Agreement is binding upon, and inures to the benefit of, the Parties and respective successors in interest and assignees.

6.11 **Dispute Resolution.**

- a. **Meet and Confer.** Any claim or controversy arising out of or in connection with this Agreement will first be resolved, to the extent possible, via "Meet and Confer". The Meet and Confer will begin when one Party delivers notice to the other that it intends to arbitrate a dispute and the basis for its belief that it will prevail in arbitration. After providing notice of the intent to arbitrate, the Meet and Confer will be held as an informal face-to-face meeting held in good faith between appropriate representatives of the Parties and at least one (1) person authorized to settle outstanding claims and pending arbitration matters. The Parties will commence the face-to-face portion of the Meet and Confer within forty-five (45) days of receiving notice of an intent to arbitrate or service of an arbitration demand. Such face-to-face Meet and Confer discussion will occur at a time and location agreed to by the Parties (within the forty-five (45) days) and if both Parties agree that more face-to-face discussions would be beneficial, the Parties can agree to have more than one (1) in person settlement discussion or a combination of in person, phone meetings and exchange of correspondence.
- b. **Binding Arbitration.** The Parties agree that any dispute not resolved via Meet and Confer will be settled in binding arbitration administered by Judicial Arbitration and Mediation Services ("JAMS"), or if mutually agreed upon, pursuant to another agreed upon Alternative Dispute Resolution ("ADR") provider in accordance with that ADR provider's Commercial Arbitration Rules, in Dallas, Texas. However, matters that primarily involve Provider's professional competence or conduct i.e., malpractice, professional negligence, or wrongful death will not be eligible for arbitration.

Any arbitration in which the total amount disputed by one Party is equal to or exceeds one million dollars (\$1,000,000.00) will be resolved by a panel of three (3) arbitrators. In the event a panel of three (3) arbitrators will be used, the claimant will select one (1) arbitrator; the respondent will select one (1) arbitrator; and the two (2) arbitrators selected by the claimant and respondent will select the third arbitrator whose determination will be final and binding on the Parties. If possible, each arbitrator will be an attorney with at least fifteen (15) years of experience, including at least five (5) years of experience in managed health care.

Any arbitration in which the total amount disputed by one Party is equal to or exceeds five hundred thousand

dollars (\$500,000.00), but less than one million dollars (\$1,000,000.00), the claimant and respondent will each select a single arbitrator and the two (2) arbitrators selected by the claimant and respondent will select a single arbitrator who will be responsible for the arbitration proceedings (“Selected Arbitrator”). Each Party can strike no more than one (1) Selected Arbitrator. The Selected Arbitrator will be an attorney with at least fifteen (15) years of experience, including at least five (5) years of experience in managed health care.

Any arbitration in which the total amount disputed by one Party is less than five hundred thousand dollars (\$500,000.00) will be resolved by a single arbitrator. In the event a single arbitrator is used, the arbitrator will be an attorney with at least fifteen (15) years of experience, including at least five (5) years of experience in managed health care.

The arbitrator will apply Texas substantive law and Federal substantive law where State law is preempted. Civil discovery for use in such arbitration may be conducted in accordance with federal rules of civil procedure and federal evidence code, except where the Parties agree otherwise. The arbitrator selected will have the power to enforce the rights, remedies, duties, liabilities, and obligations of discovery by the imposition of the same terms, conditions, and penalties as can be imposed in like circumstances in a civil action by a court in the same jurisdiction. The provisions of federal rules of civil procedure concerning the right to discovery and the use of depositions in arbitration are incorporated herein by reference and made applicable to this Agreement. However, in any arbitration in which the total amount disputed by one Party is less than one million dollars (\$1,000,000.00) the Parties agree that each Party will have the right to take no more than three (3) depositions of individuals or entities, excluding deposition of expert witnesses, and the Parties agree to exchange copies of all exhibits and demonstrative evidence to be used at the arbitration prior to the arbitration as deemed appropriate by the arbitrator. The Parties agree that in any arbitration in which the total amount disputed by one Party is less than five hundred thousand dollars (\$500,000.00) each Party will have the right to take no more than one (1) deposition of individuals or entities and one (1) expert witness, and the Parties agree to exchange copies of all exhibits and demonstrative evidence to be used at the arbitration prior to the arbitration as deemed appropriate by the arbitrator. Regardless of the amount in dispute, rebuttal and impeachment evidence need not be exchanged until presented at the arbitration hearing.

The arbitrator will have no authority to give a remedy or award damages that would not be available to such prevailing Party in a court of law, nor will the arbitrator have the authority to award punitive damages. The arbitrator will deliver a written reasoned decision within thirty (30) days of the close of arbitration, unless an alternate agreement is made during the arbitration. The Parties agree to accept any decision by the arbitrator, which is grounded in applicable law, as a final determination of the matter in dispute, and judgment on the award rendered by the arbitrator may be entered in any court having jurisdiction. The award may be reviewed, vacated, or modified pursuant to the Federal Arbitration Act (“FAA”), 9 USC sections 9-11. Grounds for vacating an award, include where the award was procured by corruption, fraud, or undue means, and where the arbitrators were guilty of misconduct, exceeded their powers, evident material miscalculation, evident material mistake, imperfect(ions) in (a) matter of form not affecting the merits, and where a decision is not grounded in applicable law. When a decision is not grounded in applicable law, any Party will have the right to appeal the decision in addition to those rights to vacate or appeal already existing pursuant to the FAA or applicable state arbitration laws. Any such appeal may be made to a court having jurisdiction over the Parties or the dispute. Notice of intent to Appeal based on failure to render a decision grounded in law must be given to the other Party within fifteen (15) days after the decision is communicated to the Parties; and the appeal must be formally initiated by filing in court within thirty (30) days after the decision is communicated to the Parties. If a court decides it will not hear an appeal because it deems appeals from arbitration not subject to appeal, there is no right for any additional appeal in any other venue.

Each Party shall bear its own costs and expenses, including its own attorneys’ fees, and shall bear an equal share of the arbitrator and administrative fees of arbitration. The parties agree that one or the other may request a court reporter transcribe the entire proceeding, in which case the parties will split the cost of the court reporter, but each may elect to purchase or forego purchasing a transcript.

Arbitration must be initiated within one (1) year of the earlier of the date the claim or controversy arose, was

discovered, or should have been discovered with reasonable diligence; otherwise it will be deemed waived. The use of binding arbitration will not preclude a request for equitable and injunctive relief made to a court of appropriate jurisdiction.

6.14 Execution in Counterparts and Duplicates. This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together will constitute one and the same instrument. The Parties agree facsimile signatures, pdf signatures, photocopied signatures, or signatures scanned and sent via e-mail will have the same effect as original signatures.

6.15 Conflict with Health Plan Product. Nothing in this Agreement modifies any benefits, terms, or conditions contained in the Member’s Product. In the event of a conflict between this Agreement and any benefits, terms, or conditions of a Product, the benefits, terms, and conditions contained in the Member’s Product will govern.

6.16 Force Majeure. Neither Party will be liable or deemed to be in default for any delay or failure to perform any act under this Agreement resulting directly or indirectly, from acts of God, civil or military authority, acts of a public enemy, war, accident, fire, explosion, earthquake, flood, strikes by either Party’s employees, or any other similar cause beyond the reasonable control of such Party.

6.17 Confidentiality.
