EXTENDED FAMILY HEALTH INSURANCE POLICY (EFHIP)

2024 -25

Scope and Objective

At Infosys we are committed to creating a supportive and caring work environment. As an extension of this commitment, we offer our employees Extended Family Health Insurance Plan (EFHIP). This is reflection of our belief in the importance of well-being of our employees and their loved ones.

Health and safety of Infosys employees and extended family have always been of utmost priority for the organization. Extended Health Insurance Policy (EFHIP) aims to minimize the financial risk arising out of sickness or injuries to parents, parents in law, and siblings younger than 25 years, of Infosys employees. The plan provides required insurance protection for hospitalization expenses, treatment of illness & injuries requiring in-patient hospitalizations in healthcare facilities such as Hospitals/Nursing Homes in India. Thus, securing good health and well-being.

Rising medical expenses have put immense pressure on the health insurance industry over past few years. Coupled with the rapid escalation of medical costs, insurance premiums have been steadily increasing.

20. FAQ (Frequently Asked Questions):

1. How to renew the policy next year in case of employee separating from Infosys?

EFHIP policy is issued only to the employees of Infosys. In case you need to renew the same, you need to contact arjun chamala Arjun.Chamala@nic.co.in before the expiry of the policy and renewal will be done at the prevailing market rates and conditions with continuity of benefits. (Pre existing cover & no waiting period)

2. Will the policy continue post employee separating from Infosys?

Yes. The EFHIP Policy will be in force up to July 31st 2025 even if employee separates from Infosys.

3. Can I cancel the policy and get a refund?

Policy cannot be cancelled during the year.

- Cancellation of policy is applicable only in the event of the death of the insured. Copy of the death certificate to be furnished for cancellation.
- Applicable only if there had been no claim in policy period.
- Proportionate premium for the remaining quarters will be refunded directly by National Insurance Company.
- Refund is not applicable for floater plan in case of demise of beneficiary.

4. How will the premium computed in case of new joiners?

The premium will be computed on a quarterly basis. EFHIP Policy periods from 1st August to 31st July.

Example:

Person joining on 2nd of November, will pay premium for 3 quarters.

Person joining on 29th October, will pay premium for 4 quarters (full premium).

5. Can one change the plan / add additional dependents post selection of a plan?

No. Plan once opted cannot be changed nor additional dependents can be added.

6. Whether dependent siblings aged above 25 years can be covered?

They are not eligible to be covered under EFHIP, However, they can be covered under a separate market policy offered by National Insurance Company, subject to terms & conditions.

7. Is EFHIP policy applicable for working parents?

Yes. Parents can be covered under this plan, irrespective of their working status or age.

8. My sibling is working in Infosys, Can both of us cover our parent?

No, only one nomination will be valid for one life even if there are 2 policies, the claims will be paid in one policy only.
